All Things Seuss

For years, Dr. Seuss has captivated the minds of children and adults. With the help of Dr. Seuss books, this camp class will focus on reading, rhyming, playing games, acting out story lines, and create colorful keepsake pieces from Dr. Seuss's journeys. In addition to hearing the original stories, campers will let their imaginations be their guide and create their own Dr. Seuss inspired stories, drawings, songs to share with their fellow campers, create inspiring foods from the books, and design their own Dr. Seuss book. Oh, the fun you will have spending a week long at North Carolina A&T State University in the magical world of Dr. Seuss!
